

## American Lincoln Parts

American Lincoln Part - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are known in the business as providing durable and strong machines which suits all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to supply equipment, parts and warranty service for these types of scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of numerous facility managers where efficiency and results matter. Lately, this floor scrubber model has been requested by the architects in various construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
