

## Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills together with their knowledge of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

The staffs at TREK and their dealer-partners are really committed to having both parts and technical support accessible when it is needed. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning machinery ready and functioning everyday is top priority. The company's top of the line technology delivers dependable equipment that eventually lowers your cleaning cost. The price, the service and the product all work as one to make them an industry leader.
